Gentlemen:

RE: RESTORATION PROCLAMATION  
WEBER RIVER

We are in receipt of a letter from the Weber Basin Water Conservancy District, dated September 6, 1955, a copy of which is enclosed, indicating that the reasons for the withdrawal Proclamation signed by Governor J. Bracken Lee, February 2, 1949, withdrawing the waters of the drainage area of Weber River and Tributaries, and drainage area of named streams in Box Elder and Davis Counties, from appropriation have been accomplished and requesting that action be taken towards restoration.

We are in accord with this request and will take steps towards issuing a restoral proclamation which we hope to publish as soon after September 15, 1955, as possible.

We trust that this will meet with your approval.

Very truly yours,

Joseph M. Tracy
